Man attempts to stop being depressed by the alien therapist but he can't. The only way is to let the alien therapist live inside his body and Man accepts.

Man is no longer depressed but has an alien living inside of him.

Man is not depressed anymore, however, the alien makes him eat Subway for every meal, and only lets him drink grape juice as hydration. He also only sleeps in a shelf, because alien therapist doesn't know what the bed is for.

Man follows the sound and then gets knocked out, he then wakes up in his bed at 1 am and realizes he isn't the first man. Man does research on the man time paradox. He then discovered the universe control panel which he makes a new one called the man paradox controller which could stop the paradox

Husk Nihilus deploys near universe control panel, crushing man paradox controller. Man is exposed to high dose of Honkai which partially paralyzes Man. Man now seeks for help as Husk Nihilus is about to finalize it's attack.

Man almost gets vaporized when the man paradox controller rebuilds itself and activates freezing man and husk nihilus, the paradox controller makes one more man before it explodes killing husk nihilus. Man survives then sends the blueprints for the mpc, sending out the information about the paradox, and telling everyone about the last man and if he dies the world will end and the deities will fade away, the only thing left will be the universe control panel. Afterwards man kills himself to have the new man have all of the power.

New man

I want to see if we can have one man survive until no one uses man in f7

New man walks through his door, the falls through the ground. He wakes up in the bottomless pit, and sees a device infront of him. The **DEVICE** has a Label on *its sIDE*, it reads "C205 Time Displacement Device." New man somehow knows how to use the device. Which **hE** [ERROR] so**N** after use**S** [WARNING UNIVERSAL STABILITY DROPPING BELOW SAFE LEVELS] *thE dEViCe* [DO NOT PROCEED].

Everything fall apart around New Man

New Man wakes up right next to original man.
