I think I'm gonna score, and then I never score. It's not fair. We've travelled, um, a hundred kilometers 'cause we thought we were gonna score. But now it's not gonna happen. Damn it! I'm sick and tired of this! We're never gonna score. It's just not gonna happen! We're never gonna score! We're never gonna score! WE'RE NEVER GONNA SCORE!

Well, I mean... when you think about it, retcons are just rewriting history, just literally. If there's a space-time traveling person, I bet they will retcon constantly.
