It's not a crime.

If YN has the draft:

Draft dodging as a nobleman or, if your nation has no nobles for some "reason", as a political office holder's son.

If YN doesn't have the draft:

Teaching radical feminism and/or Marxism to infants

"Teaching radical feminism and/or Marxism to infants"

Radical feminism (3rd wave +, Doniport has decided) is illegal with jail time. Marxism, however, isn't, considering Doniport is a Socialist state. That'd be weird to outlaw teaching your own form of gov't to people under said form of gov't.

AAN cuz AN did not contribute an offense: Death by Defenestration

Selling weapons to the enemy in time of war.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.

Oddly enough, not a crime.

With energy swords, Anti-materiel Sniper Rifles and sixty-round fully-automatic caseless assault rifles in the general populace, a death Ray user is probably going to get mocked in public.

1 year of imprisonment, followed with 200 days of community service, or fines with the minimum of US\$2000 at the grounds of severely damaging public utilities.

Urinating in public is ALREADY an administrative fine- so in addition to that if the person would like to file a personal offense case against the perpetrator and win he is likely to challenge him with duel

Speeding?

A fine depending on how fast you're going or jail time if you're a repeat offender.
