CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

My IC Character likes to collect titles, especially from foreign nations, if you would like to grant me one, you may do so here: [viewtopic.php?f=4&t=482842&Start=1](http://viewtopic.php?f=4&t=482842&Start=1)

Titles will be granted in return and your involvement is greatly appreciated, Thanks and may God bless you!

Only some NS Stats are canon for my nation, so better to assume they aren't rather than they are, thanks! :)
