They are in control of most of East Asia, and their culture demands loyalty to the state and love of their fellow Asians.

When ink in a colour different from the Inking, the parts hit grow numb and diffuse. When Inking absorbs too much of said ink, they explode.

Fort Zapata is their mighty capital
New York is not though it's a pretty huge part of their culture

I am a Cuba where Fidel was overthrown. I exist in MT. American tourism and big business is welcomed.

I am right wing and pro market.

Project Reich-Antagoria began in 1945 when Antagoria accepted incoming Nazi war criminals and refugees (it is rumoured that even Hitler himself settled in Antagoria, but this is unrelated side-trivia). These Nazi scientists served the Antagorian leader, bringing with them their developments on *Wunderwaffen* (lit. "wonder-weapons").

preoccupation of the population of the changing climate of the Earth finally sparked the Second American Civil War. At first, the Americans squashed the Communist forces, but a new centralized leadership of the revolutionary forces managed to fight back, and eventually, overthrow the American government. The same happened with the neighboring countries of Mexico and Canada.

They are a matriarchal society. They killed the king of Peru after a war where he attempted to annihilate the inkings. He also raped and stomped on the heads of inking women.

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

There are two-hundred-and-one seats on the Imperial Parliament. One of those seats is always held by the First Lord of the Nation, currently *Guillaume de Froid-protectrice*.
