Hardstyle is my true religion  
Music helps me stand the storm  
I don't believe in superstition  
I believe in living now  
Hardstyle is my religion*

**Artist:** Essence & NAD (remixed by 'Timekeeperz')  
**Genre:** Hardstyle

*I see the raindrops on my door  
I see the clouds moving on the floor

Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.

Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

**Title:** Happy home  
**Artist:** Hedegaard (Remixed by 'Heatwavez')  
**Genre:** Hardstyle

*Mama called about the paper turns out they wrote about me  
Now my broken heart's the only thing that's broke about me  
So many people should have seen what we got going on  
I only wanna put my heart and my life in songs  
Writing about the pain I felt with my daddy gone  
About the emptiness I felt when I sat alone  
About the happiness i feel when I sing it loud  
He should have heard the noise we made with the happy crowd  
Did my granddaddy know he taught me what a poem was  
How you can use a sentence or just a simple pause  
What will I say when my kids ask me who my daddy was  
I thought about it for a while and I'm at a loss  
Knowing that I'm gonna live my whole life without him  
I found out a lot of things I never knew about him  
All I know is that I'll never really be alone  
Cause we gotta lot of love and a happy home*
