President McGuire declares in press release that a 'mission of nation-building', led by America and allies, must be undertaken in Haiti once Port-au-Prince falls.

My reaction to that information :

No, but for real, America and its shitty allies are on their way to ruin another nation again.

THE PRINCIPALITY OF ZERREICHE **FÜR PRINZ UND VATERLAND!**

A bustling metropolitan city-state situated deep in the Alps, the Principality of Zerreiche is a forgotten legacy. Once a key player in the Alpine region and the Italian peninsula's geopolitics, and once home to one of the fiercest, bravest, and most honorable warriors of Napoleon's time during his campaigns across Europe, the metropolitan Principality of Zerreiche is now but a mere microstate and tourist attraction site in the Alps that relies on tourism as its major source of income.

Finally, an alternative to liberal media... or perhaps just a more demented form of it.

| THE DOMINION OF EYJAFJALLA • *"In one, two, three. We'll put them out of their misery!"*

Ah, the corporation! Lovely ain't it! A inherently autocratic organization blindly worshipped by nimwits worldwide as a force of freedom. Somehow not understanding it merely heralds the return of statist control under a different name. Ejya might not have much loyalty to it, but an opportunity to get on top is always welcome and to do it under the 'guise' of upholding liberty makes it all the more sweeter.

It was a remnant of past conscription which was enforced until 1999, and IC population is almost a billion so it isn't too far off. Most are reserves anyways; Meadowfields is also currently at a proxy war but most military members are to negotiate pacifism. /skipme
