Constitutional monarchy

Wakanda has moved to Central Asia, along the path of the ancient Silk Road. T'Challa has developed the nation into a state-of-the-art constitutional monarchy. The people chose who their new prime minister would be and it's none other than the legend himself, Tom Hanks!

T'Challa & Tom have plans for them to become fused with each other to become the ultimate sentient being capable of much more than physically and mentally

Well idk how I'm supposed to infer anything off of THAT but I guess capitalist democracy?

In today's news in Totkeel

- Supreme Chancellor Olson Deneven II has returned from his two day hiatus after the conviction and execution of his son, his mental state is unknown, as our reporters were almost killed by his guards when they attempted to ask.
- Rodney Deneven, the stand-in for Supreme Chancellor Olson Deneven II while he was on temporary leave who contracted COVID-19 yesterday, is reportedly in critical condition.
- Cortonoia FC defeated Jatanavia FC today and has clinched fourth place today with their now 69 points to Jatanavia's 61.

Norse-pagan stratocracy.

The Kingdom of Tetchland

An almost-absolute Catholic monarchy that seceded from Sweden during the Reformation. It's something of a Western Hong Kong (pre-2019), being a small, densely-populated urban region that enjoys wide economic freedoms, modern amenities, and wealth, but holds a strong dedication to tradition with regards to religion, military, and national pride. It's on a small, fictional archipelago halfway between Sweden and Poland.
