Yeah, I wouldn't be super happy about it, but it would be tolerable. Actually an improvement over my real world situation.

I dislike the unrestricted capitalism though.

I use NS stats for the most part, excepting where issues and stats dont make sense with my Nation's setting.

My Nation is roughly based on my actual political beliefs; it is a form of Socialist Republic, in which citizenship is granted for government service (either military or civil, think Starship Troopers), with a very heavy environmentalist and conservative bent.
