Not well known yet but I bet they will be because I've seen them a lot on forums since they created their nation.

Seen 'em before. They called me Chile once, which briefly triggered me, but I honestly don't really care anymore.

Anyways, I'd say that they are somewhat well-known.

Very popular, at least on Forum 7, so I'd say that NTR is pretty well known overall.

They seem moderately known in most forums they have visited, but in International Incidents and their region, **Nordic Lands**, they seem to be quite a familiar face.
