I feel like they're fairly known around F7 even through they are a slightly newer nation. Then again that might be just because they are fairly memberable so I remember seeing them more than I do others.

@AN

I also feel like they're known around here. They've been here for more than a year and have a fairly unique flag so I able to recognize them pretty often.

... I'm pretty sure I left the Rejected Realms before most of the nations in this thread even existed. And that was the last time I meaningfully interacted with other nations.
