I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician

who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.

In Character info

The Commonwealth of Atlantarctica is a continental-sized federation much like that of the UK. Founded in the early 2060s, Atlantarctica's economy has recently flourished due to its tourism industry and friendly relations towards its neighbors. Atlantarctica is **against** weapons of mass destruction and advocate for pacifism. Atlantarctica is classified as a Tier 6, Type 4.5 nation (ns stats bad).
Flag design created by the Kingdom of Cantelo

Somewhere around 2-3/10. The flag uses bright colors that I think correlates to *not* being evil.

The People's Republic of the Vladivostok Confederacy
