Only seen him now, so not that well known. Obscure even.

Basic Facts

An industrialized Ukraine that is gradually being integrated into the European Union. With peaceful relations with all our neighbors since we are all under one European, security framework.

Getting decently well-known, definitely not a complete unknown. To me personally, very well known, thanks to their pleasant welcoming of our regional embassies and their then rude refusal of mandatory tequila shots.

"We won't be taxing, bureaucratic hypocrites forever!"
We're fighting a costly, not at all drawn-out war against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.
Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.
Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program
