Recognizable, but mostly because the name is... memorable.

By the way, Procrast isn't one of my alts, just I find the concept of their nation very amusing, and it keeps getting better. However, regarding anogbwt gbwpfg, fqeyde ox fgr xbrqpsg vqfmwt.

I think I've seen them.

I've literally never seen this person, but given their flag and population, I'd assume they have some recognition amongst some NS users, whilst not being a very well-known nation overall.

I've seen this nation a few times trolling the forums.  
I'd say it's pretty little known. Very little.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.
