I'm going to be EP busy today.

Also, a couple of EP's I'm kinda cheating on, since they're "Split" EP's and I'm only listening to the songs on said EP's by the bands I know. I'll just combine two and count it as an EP or something.

Let Em Riot - Say What You Need To Say

I prefer my retro wave without singing or with robotic singing. Not this kind of normal poppy singing.

11 EP's done. Deleted a remix. Don't really like listening through a bunch of remixes.

A Space Love Adventure - Nightcall (Kavinsky cover)

Basically little longer and faster tempo remix. Not as good as original.
