Terran American State ~~~ *The shining city upon a hill built on the coagulated blood of millions of innocents at profit's hand.*

An alternate history where a oligarchic hegemon led by two ideologically similar and increasingly geriatric parties try desperately to keep the flame of American dominance over Earth at any cost.

Uses NS stats... Wahhhh!!

If you're going to make a totally original nation on NS, might as well work towards getting your desired stats instead of writing it all down in a factbook.
