All combatants will be charged with assault and battery and will be sentenced accordingly - assess damage, demand payment, determine length of time in prison.

Such degeneracy pollutes the soul of the Aryan, and is no doubt one of many elements of Judaic Canaanite subversion in the eyes of our state. The death penalty will be enforced. If any seller is solicited, they will also be put to death.

If I were a Nazi state, mocking Adolf Hitler and his Nazi policies will earn a punishment from a year in a maximum-security prison to hard labour in a concentration camp.

If it was my nation, we won't punish the person making fun of AH's Nazi policies. We will let them be. No commendation, no prosecution, just a "yeah, his view that Romanis are subhuman is contemptible" then we move on, albeit feeling horrified at what that man did to Jewish, Romani, disabled, homosexual people, etc.

Mislabeling or mispricing products. e.g. two 100ml bottles of Brasso metal polish are labeled as all-purpose cleaner and sold for one hundred twenty rand each when the manufacturer's suggested retail price is fifty-five rand for each 100ml bottle.

Not a crime in and of itself. Committing a crime as a part of a criminal gang does tend to increase the sentence for the crime.

Dressing up in a dog costume, chasing cats and squirrels across people's yards, barking incessantly at people, and chasing cars up and down the street?

Depends. If everything was arranged as a duel should be- that is their superior notified and not against the duel, both men acting fully voluntarily and without any forceful persuasion then everything is fine. Duels, even deadly ones are a regular occurrence here.

If this was a simple murder than he will be tried as a military court and most likely will have to face the wall.

Also soldiers here don't have "arguments over a girl"- first of all many of them are girls and second of all traditional western gender roles here are borderline nonexistent.
