State-enforced Atheism

A nation based on Ashens, a YouTuber.

The Idea is this: What if the United Kingdom fell under it's current reign, and Stuart Ashen was the only man who could restore it to it's former glory? The result would probably be this.

Stuart Ashen is different from what he is in real life, and while his personality is the same as usual, he can do a few things he couldn't in real life.

MT nation composed of people from every nation with a current Antarctic base. NS stats somewhat apply (despite them being generally stupid). I would use my factbooks but I'm lazy and haven't gotten around to it yet.

Antarctica is a pretty "cool" place.
