Panzer X, symbol of German domination of Europe or the world's best tank?

I mean, best tank could mean best-built and most powerful, it doesn't necessarily have to mean support for the Nazis. You could *easily* believe in both.

The Super-heavy tank Panzerkampfwagen IX and Panzerkampfwagen X were silhouette conceptual drawings in an edition of the **German World War II** Signal military magazine. The drawings were not based on any actual designs, and were solely printed to deceive Allied intelligence.[1]

From Wikipedia. Hmm, okay. might have misunderstood. /skip
