Born out of unrest, North American destabilization, and civil war within the United States, the Free Republican Union is a rebirth of the American ideal and frame of mind through Republican principles and values. I don't use NS stats.

Colossal modern island nation in the South Pacific. Ruled by a compassionate yet slightly-unhinged king, with a very isolationist yet empathetic populace. Notable characteristics: terrifyingly mighty air force and navy, world famous cars, legendary blend of wildlife.

NS stats are canon; factbook started. Some things are my RL views, some things are not. If curious, feel free to telegram.

Yes, I used to be a very immature person. That was years ago. I'm trying to be better now.
