Elton John - The One  
From *The One* (1992)

*For each man in his time is Cain  
Until he walks along the beach*

Posts: 7188

*And sees his future in the water  
A long lost heart within his reach*

*And all I ever needed was the one  
Like freedom fields where wild horses run  
When stars collide like you and I  
No shadows block the sun  
You're all I've ever needed  
Baby you're the one*

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

Elton John - Circle of Life

From *The Lion King: Original Motion Picture Soundtrack* (1994)

*Some of us fall by the wayside  
And some of us soar to the stars  
And some of us sail through our troubles  
And some have to live with the scars*

*There's far too much to take in here  
More to find than can ever be found  
But the sun rolling high through the sapphire sky  
Keeps great and small on the endless round*

*In the circle of life  
It's the wheel of fortune  
It's the leap of faith  
It's the band of hope  
Till we find our place  
On the path unwinding  
In the circle, the circle of life*

*But oh how it feels so real  
Lying here with no one near  
Only you and you can hear me  
When I say softly, slowly*

*Hold me closer tiny dancer  
Count the headlights on the highway  
Lay me down in sheets of linen  
You had a busy day today*
