The United Commonwealths of **Scytharum**

Welcome to the home of all the cheese you could ever dream of! Scytharum has many vacation spots, protected civil liberties, a strong and capable military, and many opportunities! Get yourself some Scythaic cheese today and indulge in the cheddar capital of the world! We're much, much better than the German and Ottoman Empires in our liberties and cheeses, what else could one ask for? Also in case anyone is wondering, I used Michael Fassbender's portrait since he looks a lot like Ulysses S. Grant, Scythaic Sovereign Rudolf Sartoris's ancestor.
