Man, through the use of the newly invented Alcubierre Drive, is able to expand his rule to the entire galactic arm, subjugating many alien civilizations along the way.

The Libretad sends their best soldier, Mr. Sir Obama Hussein von bin Al-McMussolini Jr. Sr. III, to defeat Man. Obama brings a mind-control microchip along with him.

Now Libretad-controlled Man duels with Mannus but Mannus utilizes her expertise and fighting powers gained after decades of training and warfare and research to beat Man. She mourns the loss of her dear husband. She places his body in a special chamber hoping to one day revive her dead husband.

But hey at least she's pregnant. She gives birth to Man Jr.

The Monkey Savior, a monkey from a country founded by Monkey immigrants escaping their universe of genocide, becomes enraged after seeing his people were mass murdered just as they were in his home universe. He attacks Man Jr. and easily gives him a run for his money due to his skill in the arts of Kung-Fu and Banana Tactics.

Man Jr's illegitimate nephson thrice removed, Obama McMussolini (of no relation to Obama *Hussein* McMussolini), leads a purge against the rebellious systems, executing all those who dare stand against the glory of the Man Dynasty by shooting them with bullets of pure standinmaterialbecauseimlazyonium. Man Jr. high-fives his nephson, proclaiming "epic, ty basedgod". All citizens who remain alive cheer!

Mannus, Man Jr's mother, is assassinated by the Monkey Savior in a tragic turn of events. Man Jr ascends to about 50% of his father's power and obliterates the Monkey Savior.

Monkey Savior's illegitimate nephson thrice removed, Obama Saddam Hussein McMussolini (of no relation to the other two Obama McMussolinis), protests this by cutting off his hands in public. "Man Jr. is a jerk, so I've cut off my hands to show my distaste for his policies. Also: eeh eeh ooh ooh, banana." More at eleven on Imperium News Daily.

Man jr's huge unpopularity causes mass revolts all across the empire. Various factions take this as an advantage and start to influence individual solar systems. Most influential are:

- Galactic Popular Front (Marxism-Leninism, Popular Socialism)
  - grossgalaktischer reich (n@zi)
  - Radio Free Galaxy (Social Democracy, Liberalism)
- These factions rapidly lower the emperor's power.

Man Jr. takes control and destroys all rebellion in his Dominion. He starts his region of power by enacting 1984-like policies. All dissent was banned and the government controlled every aspect of a persons lives. Propaganda replaced common media, and the universe fell into a state of tyranny.
