The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

Biosphere - Poa Alpina

Honestly probably one of the coolest ambient albums I've heard. Its not hard to make "good" ambient music (Or, I should say, tolerable ambient music, because there's lots of boring ones), but it really takes something to make a GREAT ambient album.

The Veronicas - Cruel. I actually saw the Australian twin female duo with my eyes earlier today, yay! But this specific song wasn't played, unfortunately. *A little twist of the knife, yeah; A little salt in the cut, yeah; A little thorn in the side, and it stings like hell, feels so; Cruel, the way you treat me like a stranger; Cruel, when you're looking like that, oh-oh; Cruel, the way you touch her when you kiss her; Take my endless summer, turn it into winter...*

also...
