Anyone heard of Professor Kliq?  
Creative commons electronica producer, also a Chicago DJ

Discovered Leg Twitch yesterday:  
<http://www.youtube.com/watch?v=wUqsZ-bLerk>

Plenty of changes, and a great sort of... sneaky-super-spy tone.

For the same kind of feel, but in classical genre, I'd recommend the London Metropolitan Orchestras' rendition of At The End Of The Day, by Amon Tobin

(Brazilian producer, made the soundtracks to Splinter Cell 3 and Infamous, I hope his work gets in the Olympics' opening, something like ISAM maybe)

That's quite a developed taste you have there.
