Under the FORONED STATES OF AMERICA.

"And thus, the petty tyrant on a high castle claimed another victim with its bloody grasp. How tragic." - Leaked rebel telegram from the Indian subcontinent.

THE PEOPLE ☐ ETERNAL

" We will not bow to your dictation. We are free. We bled to be free.
Who are you to tell us what we may and may not do? **We stopped being your slaves an era ago.** "

South Reinkalistan is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly.
In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move.
As the brittle bones of fragile empires begin to crack beneath their own weight, history's symphony reaches crescendo pitch. The future is all but certain.

Progressive minority in Louisiana cries apartheid.

"The what.. minority? What is this pinko whining? Shouldn't you have dealt with these people already, you trained and paid us to shoot them after all in Chile. Blame a false flag attack on them and sweep them from the every house, every corner, every hole!" - US-trained Chilean Officer.
