Genesis, Live at the Lyceum, 1980. Currently on *I Know What I Like*.

For the relevant F7 threads, the girl on the left is Hilda, and the one on the right is Melissa (Lissy).

A class 13.8 civilization, according to [this thingy](#). Assuming the Mistresses stay home. They probably will, they're actually pretty lazy.

[Please rise for the national anthem of Kuroluce!](#)

M-22 & Hayley May - How Does It Feel. Not sure how many times I've listened to this since late 2018, but I think it's less than five. But from the upbeat dance vibes, it just brings those good memories from that time, and now I'm quite liberal to more positive music; for some reason, I just want to get away from the tiring grind of university now that I can enjoy the coming summer. *How does it feel, when your walls fall down? How does it feel, when you're*

lost and found?

also...

M-22 & Medina - First Time
Leftwing & Kody - I Feel It
2Scratch & Young Jae - Dope & Shit
AVIVA - GRRRLS
Unlike Pluto - Conspiracy
Vicotone & Meron Ryan - Walk Thru Fire
Martin Jensen & Theresa Rex - Solo Dance
2Scratch X Jooan Mo - RICH (slowed + reverb)
