As close to silence as I'm going to hear this morning. Within the next twenty/thirty minutes these halls will be filled with noisy, distracting students, but for now I have my peace and quiet.

I can see the bit of math rock influence in this band now, but this band is DEFINITELY more progressive rock electronic mix then math rock. Math rock, at least so far, seems fairly subtle in the music, so I moved this out of my math rock section.
