The Fifth Empire, Portugal's future - which I do not reckon, but I know - it is already written, for those who know how to read it, in the Bandarra's Trovas, and also in quatrains of Nostradamus. That future is to become everything.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.

☐No, it is not the South. SU stands for 'States and Unions'. The right acronym is RCAS. Please read the Factbook.☐

I think this flag quite clearly shows the Confederate states from the US civil war. When I see it, I think of slavery, the betrayal of enlightenment ideals and poor separation of church and state
