The star "Thorn" is the by-name capitol of the Godulan Control Framework, that has 4 uninhabitable planets orbiting it. The star itself has been modified so that it disrupts all communications and sensors within 25 astronomical units of it. Thorn is used as a major nexus for interdimensional travel by not just the Godulan Control Framework, but also another empire.

AN: Wilhelm Adenauer, Prime Minister of Amuaplye from 1963 to 1965, resigned on 26 May, 1965 after cancelling the national emergency after Mikhail Angoyevich was found to be a Soviet spy. Adenauer's successor, Peter White, served for only 1 day, after being picked by parliament for the position on 1 June, 1965, but died in a car accident on 2 June, 1965.

Given that there are lines in their factbook which seems to be taken wholesale from in-game flavor text (if I'm remembering it correctly), their nation seems to be based on Stellaris.

An alternate history version of China in which the alliance between the Kuomintang and the Communist Party never broke down, eventually resulting in a federalized, democratic China. Though one of the world's strongest economies and an emerging superpower, China continues to suffer from high rates of income inequality, an overreaching and sometimes corrupt government, and cultural issues that continue to persist despite the efforts of many reformers over the decades. Most factbooks are still an active WIP.

Due to the absence of a strong colonial presence in Southeast Asia to begin with, the issue of artificial borders and conflicts in post-colonial cultural upbringing made the advent of Pan-Malayanism a very much more organic concept to follow: regional alliances were also much easier to forge; With the exception of the Three Crowns initiative wherein Japan broke this pact through military aggression, Siam and the Majapahit Empire remain very close allies in trade and military, unlike OOC ASEAN.. yikes.

That they are a national socialist stratocracy occupying Svalbard that somehow manages to survive on private donations. And also that they have a Nazi swastika in their factbook, I thought that was against the rules?

Double ninja'd...

For AN: It doesn't exactly seem as if they've had the best of luck when it comes to their prime ministers. In 1947 PM Gary Jenkins died of a stroke, In 1965 Peter White died in a car accident, PM Maria Pelletier was ousted in 1989 on corruption charges, PM Sergei Chuikov was ousted 20 years later following a national security scandal, and his successor, Jacob Schmidt, was assassinated a month later. Being Prime Minister of Amuaplye seems to be a dangerous office to hold.
