I'm only asking for something other than the usual answer; it's not too much to ask, is it?

Bit of a cyberpunk vibe to this; just throw in a few colours here & there, and you'd have a perfect vapourwave album poster.

ooh sunset

What's the deal with rainbows? I mean sure, they are pretty, but why do people think they're gay? So there's a rainstorm, then it stops and the sun comes out. When people look at the new rainbow, do people think, "Oh, it's pretty!", or do they think, "That's gay"? What is up with that?
