Maybe a bit known, not sure though.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like
geography and such, based on your own imagination. I don't really plan on
writing lore on this nation, at least for now.

Active yet recent F7er. Well-known here, dunno about other places.

I would say well known, their peak of activity was in April and May and some newer people to F7 might not see them so often anymore. Still, they're very well known to me.

This is the first time I have reacted to them, but I have seen them countless times. I also know that they are a delegate of the TEO, a great friendly raider org.

Here's my honorary label for you!

Has quite a presence on the forums and also on their regional RMB. Though other than that, may need a bit more time to simmer and then get more popular!
