“
Dubious video footage of the large yellow creatures, which allegedly have a warped and massive, roughly humanoid shape and tough leathery hide, was briefly broadcast by the media during the early stages of the conflict before a military clampdown prevented further reporting on the subject (videos of the original news reports occasionally show up online and the name, "The Altered" can be heard shouted out by a soldier during one which reputedly shows a live broadcast of an attack by one of the creatures).

Australasia After a dictatorship, and a coup by radical, theocratic libertarians,

It is now a plutocratic, theocratic republic, under The Prosperity, Basically capitalism as a religion.

I use NS stats
flag by Greater Morvonia, cool guy!
