Tough choice, to be honest. I would choose Demokratska Fronta though, it seems has the right balance.

A federal left-wing nationalist country situated in a fictional world in the extended Cold War timeline. Authoritarian by Western standards, Libertarian by Eastern standards. Atomic Tech - The year is 1978.

In process of retconning, especially regarding geography and demographics.

Parliamentary: Either People's Revolutionary Party or Arvenian People's Democratic Movement. (APDM is anti-commie but still socialist so based)

Extra-parliamentary: Probably I will pick Social Libertarian Alliance.

*What if the British were half-hearted in providing self-government to their colonies? Here we take reference to what could have been the separate states of Singapore and Malaya and how economic progress is used as a smokescreen for a lack of true political freedom for the lower classes, a continued economic inequality and a mix of racial and religious tensions amidst a backdrop of rising nationalism.*
