Public torture followed by hard labor. The paper pusher will also be given the same sentence for not fending for themselves efficiently enough.

Building a massive roller coaster that traverses the city and breaks almost every safety regulation there is?

Not a crime. In fact, the government is anti-religion; but it does not hate religious people. Anyways, it may even be encouraged depending on where you are.

3rd degree murder of someone who is assaulting you with a potentially deadly weapon?

A fine of \$500 and 50 hours of Community Service. This could include up to 5 years of jail time and a larger fine if the stolen animal is attempted to be sold, injured, or killed in the defendant's care.
