Please stop. I abhor Arpasia going around calling people summies but that doesn't justify you spamming this thread. Try to make a proper response to your AN, and maybe then someone could do you. /do Free Ravensburg

Imagine you were stupid enough to combine Grand Theft Auto V and
Fallout: New Vegas into some horrific abomination away from God's law.

My brother in Christ, that's just a regular day in fanfic sites, do not quote me
on that. That being said, for NS? You're completely right in saying that it's a
horrific abomination. 10/10 would join Trevor's Legion once again just to die
to some messenger guy I didn't even know existed

1986, Yuri's Epsilon Army is close to taking over the world, and a
paramilitary organization tries to hold what's still free from his
control.
