Ed Sheeran - One  
From x (2014)

*Tell me that you turned down the man  
Who asked for your hand  
'Cause you're waiting for me  
And I know, you're gonna be away a while  
But I've got no plans at all to leave  
And would you take away my hopes and dreams?  
Just stay with me*

*All my senses come to life  
While I'm stumbling home as drunk as I  
Have ever been and I'll never leave again  
'Cause you are the only one  
And all my friends have gone to find  
Another place to let their hearts collide  
Just promise me, you'll never leave again  
'Cause you are the only one*

From *The Dream of the Blue Turtles* (1985)

*If you need somebody, call my name  
If you want someone, you can do the same  
If you want to keep something precious  
You got to lock it up and throw away the key  
If you want to hold onto your possession  
Don't even think about me*

*If you love somebody, set them free*

*If it's a mirror you want, just look into my eyes  
Or a whipping boy, someone to despise  
Or a prisoner in the dark  
Tied up in chains you just can't see  
Or a beast in a gilded cage  
That's all some people ever want to be*

*If you love somebody, set them free*

Duran Duran - Ordinary World  
From *A Diamond in the Mind: Live 2011* (2012)

*Came in from a rainy Thursday on the avenue  
Thought I heard you talking softly  
I turned on the lights, the TV, and the radio  
Still I can't escape the ghost of you*

*What has happened to it all?  
Crazy someone say  
Where is the life that I recognize?  
Gone away*

*But I won't cry for yesterday  
There's an ordinary world  
Somehow I have to find  
And as I try to make my way  
To the ordinary world  
I will learn to survive*

While I wrote this song  
It's for people like you that  
Keep it turned on*

*So excuse me forgetting  
But these things I do

If they're green or they're blue  
Anyway the thing is what I really mean  
Yours are the sweetest eyes I've ever seen*

Satanic Warmaster - Wolves of Blood and Iron

DIO - Don't Talk To Strangers

*Don't talk to strangers  
'cause they're only there to do you harm  
Don't write in starlight  
'cause the words may come out real  
Don't hide in doorways  
you may find the key that opens up your soul  
Don't go to heaven  
'cause it's really only hell  
Don't smell the flowers  
they're an evil drug to make you loose your mind  
Don't dream of women  
'cause they'll only bring you down*

*Hey, you, you know me  
you can touch me -- I'm real  
I'm forever the one that lets you look and see  
Can you feel me?  
I'm danger, I'm the stranger  
And I, I need darkness  
I'm air, I'm been framed  
I'm the master  
the evil song you sing inside your brain  
drive you insane  
Don't talk  
don't let them inside your mind yeah  
run away, run away, go*

Vendetta - Brain Damage

*I perish - no more feeling, last alcoholic creedence  
alone with my nightmare.  
No hope and no escapin', it's just my life you're takin'  
I'm empty, no chance to be.*
