I prefer The Police's version, but Alanis's was actually pretty good.

Not my favourite band or song but it's not bad if you're just wanting to listen to something new.

U2 feat. Johnny Cash - The Wanderer

From: Zooropa (1993)
Genre: Electronic rock

Tbh, I don't like this song that much...It has nice lyrics but it's boring. I don't like Johnny Cash's voice a lot (hate me).
