OMG, It's so obvious! Of course!! Science has lied to us!!!

It's time to abandon scientific progress and only look towards the Lord Jesus Christ (who is white of course) for guidance in all matters!

Myself, singing this:

Baidu the Spider
Was a jolly happy thing
As he trawled all day through Nationstates
With his eight legs made of win

Baidu the Spider
Is a fairytale they say
He was made of code
and the Mods all know
How he came to life one day

There must have been some magic
In that old silk hat they found
For when they placed it on his head
He began to browse around.
