Is it a flag or a poster? And why does that poor rainbow girl hate herself and wants to die? Rainbows are not for self-hate and suicide*sad*. The word suicide should not stand in proximity to rainbows. Rainbows are too awesome for this...

Or maybe Chocolate Ice Cream with Vanilla Syrup on top...

Godulan Puppet #2, xPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.

Lescaaris, a progressive democratic-diarchic merchant republic in the near-future "post-post-apocalyptic" America, where society is rebuilt and new nation-states have been created while the United States government is nowhere to be found (I doubt the setting is really important and relevant though). Famous for European architecture, EDM, nightclubs, civil liberties, job opportunities, and trade fairs.

(To get a general theme-idea, Lescaarch culture is a combination of Dutch, Italian, Belgian, Monégasque, and French cultures.)

Let's normalize EDM and pop music anthems!
