Fetty Wap - "Trap Queen"

I'm working on a group project and my groupmates are blasting some annoying mainstream rap out their stereo. If it were up to me, we'd be working to Entombed.

I'm working on a group project and my groupmates are blasting some annoying mainstream rap out their stereo. If it were up to me, we'd be working to Entombed.

If I were doing a group project and we were working with rock music in the background,
it'd be Soundgarden or Led Zeppelin. For sure. ☐

Last song I listened to was "Billie Jean", though. Still, Michael Jackson does
kinda rule. ☐

Catholic, pro-life, and proud of it. I prefer my debates on religion, politics, and sports with some coffee and a little Aquinas and G.K. CHESTERTON here and there. :3

Unofficial #1 fan of the Who Dat Nation.
