He was Jewish, even back then they circumcised Jews, and so, it was kept and worshiped as a holy artifact until it was stolen by the Vatican.

Pacifism. Pacifism is objectively pro-Fascist. This is elementary common sense. If you hamper the war effort of one side you automatically help that of the other. Nor is there any real way of remaining outside such a war as the present one. In practice, 'he that is not with me is against me'.
