Inorder to appease ahsotu, man becomes part of ashotu user due to injuries. They together combined, fight crime until they retire when all crime is stopped and die peacefully in their sleep.

Man meets Owen and Garden in imaginary space.

[Garden's backstory followed by Owen's backstory](#)

Man gains the memories of Owen and Garden. They have a brief talk about their pasts in imaginary space and they decide to unite their identities into one to gain divinity.

Garden as creator,
Man as preserver,
Owen as destroyer,

They become one entity, which calls himself Gartawaan.

Gartawaan first appears in a spaceship, orbiting Earth. Soon after he lands in a seemingly uninhabited area, he meets a man named Gray, and they travel together for the time being.

Gartawaan: "Hello. What brought you here?"

Gray: "I am looking for a secret treasure, one that may hold the key to freeing this world from the users' control."

Gartawaan: "An unprecedented, yet quite noble cause. I'll be here to help you for a while."

Gray leads Gartawaan to an ancient ruin, where they search the treasure that will grant all men freedom from their inevitable fate.

Garwaan has a specifically familiar feeling while entering the ruins. They pass the halls full of corpses that belong to the Nazi Army. At the end of the ruins, they encounter a huge wall of ancient carved symbols and diagrams.

Garwaan, after examining the diagram says:
"This is..."
