In **Arvenia**, what Parliamentary and Extra-Parliamentary party would I vote for?

Parliamentary

Alright, I believe I have got two options here, not going to lie... So, the first ones are:

The Royal Assistance Party

Now then, these guys... Let me try and make my thoughts brief for now. So, I really don't care about monarchy, but I do care about what the RAP upholds in their protection of the environment, regulation of economy and social responsibility against the top 1%... I am sure they are also quite a bit more. Into authority compared to the **Arvenian Value Front** and the **Arvenian Self-Defense Party**, which does mean less BS when it comes to the ideas of tackling crime and other wrongdoings that would harm a country and its peoples...

The only potential deal breaker is in their religious policy... I am okay with keeping a state religion, however if they end up attempting to force Megandelanism down the common people's throat, then that's a nope from me...

Arvenian Self-Defense Party

Okay, the National Conservatives... So, I support their neutral, pacifistic stance in terms of international affairs, to an extent of course... If they wish to turn Arvenia into a hermit nation similar to the DPRK in that sense, then NOPE... I appreciate their focus on crime control, and any party that supports the homeless... Well, getting homes is a plus.

Only problem is that conscription, and it is a huge problem to me... If they don't want to get rid of that, I'd probably be staying away from them...

Final Verdict? :: **The Royal Assistance Party**

Extra-Parliamentary

Okay, well... I've got two serious entries (I guess?) and one whacky one... There isn't much to unpack here, so I get to be brief...

The Green Market Party

I do not really know, but there is... Something somewhat appealing about these guys, combining National Conservatism and Green Politics... They want to save the world from climate change AND take a hard stance against crime and anarchists? Sign me up honestly!

Small Business Party

I believe that this is something I could support, I guess? I appreciate the protection of the small guys against the big guys, but considering everything,

there isn't too much to convince me, I guess...

THE MeNtAl HeAlTh PaRtY

Free the oppressed crazy people! Every drug imaginable legalized! Make Arvenia a nuthouse! This is the dream!!!

Final Verdict? :: The Green Market Party

Who Am I KiDdInG?! ThE MeNtAl HeAlTh PaRtY FtW!!

Ninja'd? I checked before posting... Oh well...

In the Grand American Legion, what party would I vote for?

Listen, this one's VERY easy... The Party of true democracy...

Sorry for sitting through all of that, everyone... Welp, find the link to my party list [here](#):

☐ The Tsardom of
Alaska ☐

Царство Аляски, or the Russian Empire lives on in its old colony, Alaska after the conclusion of the Russian Revolution of 1917. Standing with its allies against the Moscow Accord of Russia and its alliance members, nevertheless world tensions dwindle and the people of Alaska grow ever more desensitized with the conservative status quo, and their insistence on clinging to a now redundant past.

If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.
