Not well known enough to show up on google search and haven't seen them before.

A communist state that wants everyone to make friends.

Your standard TNP native, not that many posts nor are they a frequent enough face to be recognizable, not that well known.

7/10, was active back then but I'd say not much recently. First time seeing them for weeks actually.

Very new user, and while I normally associate boykisser (to all my horrors) to Keltionalang, they don't seem to be said person (That would be WA multi'ing), not that well known, but I guess points for them for being memorable at least.

ninjad.

Same answer, very new nation, while they are a frequent poster they

aren't all too well known yet.

But seriously, Rosa has to be one of the most famous and dare I say, infamous (in a good way) people on this site. From her roles in the Chad East Pacific to Astoria to her many accomplishments in raiderdom, she is probably one of the most well-known. 10/10.

Hey Lethinia, I think that somebody's hacked your account. They haven't changed the flag in over a day - dead giveaway ☐

Somewhat renowned in F7 for the frequent flag changes, but I don't imagine they're too widely known beyond these shores. 3/10

Daughter nation of [The Unified Provinces of Rhanukhan](#), originally created during the course of roleplay events back in 2008. The accounts relating to it in Rhanukhan's own factbooks are deliberately vague as the people of Rhanukhan are unaware of many details regarding the island. As such I've established it as a separate nation in order to provide greater insight through its own factbooks.
