This site stresses me out, so I rarely come on here anymore. I'll try to be civil

and respectful towards those I'm debating on here. If you don't extend the same courtesy then I'll probably just ignore you.

I love that album and that song.

Three to Get Ready, The Dave Brubeck Quartet.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our

art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

I am letting this nation die. I may or may not return after a long fucking while. I need a break from all the LYING AND CHEATING.

Oh, wait. That'll probably continue. I'm gonna pretend it's not happening, then.
