Barbie is an Allegory for Animal Farm. Kens (Animals) seize control over the Barbies (Humans) and Ryan Gosling seizes power himself (Napoleon the Pig)

I've wanted to do this for a while:

Explain to me how something can be an allegory of an allegory. Logically, it follows that Barbies is in fact an allegory for Soviet communism, with the Kens being the Bolsheviks, and Ryan Gosling Ken... Stalin.

I would have never thought Ryan Gosling would come up in the same sentence as Joseph Stalin.

The competitive racist understands so he may hate better

Since when racism is considered a sport? They compete for who can come up with the most original and offensive racial slur or something?
