6/10. On the one hand, the Star of David isn't itself an evil symbol, on a flag it now has some unpleasant connotations. The red, black, white color scheme doesn't help, either.

Pronunciation: Yoh-'ault-i-set-'li-ya

4/10 i bet they could do evils but the flag doesn't seem too scary beyond the colors

7.5/10, it gave me LSU vibes.

My flag is amazing isn't it?

I was tortured for weeks endlessly by those bunny cultists until I finally succumbed to putting this thing on my signature:

#### MEXICAN EMPIRE | IMPERIO MEXICANO

Once the jewel of the Spanish Empire, Mexico now finds itself in desperation. After losing thousands of its sons in defense of the northern territories and ousting the president fifty different times, Mexico had enough. Following the foreign intervention, Mexico's restored Empire seeks vengeance on his enemies and intends to show the world that the eagle still has its claws! Igualdad en la Justicia!

Set during the 1860s. Basically an alt-history Mexico where the 2nd Mexican Empire doesn't fall.

An insane dictatorship under an equally insane man. Will most likely fall apart the moment said insane man dies.

Inspired by Latin American dictatorships, chiefly Francois "Papa Doc" Duvalier.
