This is my first time seeing them, and going by their sig, they're not particularly well known on the forum in general.

Judging their number of forum posts, I say they are slightly well-known.

They have a big population and a lot of forum posts. Though they probably don't spend as much time there as much as me. Or they started later than me. Overall, they're pretty known.

Same. Thought you were Chohon for a second. Despite 100% of your posts being on F7, I've probably never seen you because there are only 33 of them.

They have certainly caught my eye more than most others in F7, and I think it's because they stand out more than the usual alt histories, hoi4 larp, and political LARPs

So I'd they're pretty well known on F7

Pretty well-known, have made quite a community of themselves with a few of their old friends. Amazing person overall, their stuff - both text and pictures and videos - never ceases to amaze me. ♥

Fairly well-known I'd reckon. Seen them around and they seem spectacularly active.

THE PEOPLE □ ETERNAL

" We will not bow to your dictation. We are free. We bled to be free. Who are you to tell us what we may and may not do? **We stopped being your slaves an era ago.** "

South Reinkalistan is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly. In the midst of a room-temperature cultural revolution that's lost its momentum,

the Party carefully plans its next move.
As the brittle bones of fragile empires begin to crack beneath their own weight,
history's symphony reaches crescendo pitch. The future is all but certain.
