Deadmau5 - Some Kind of Blue.

I'm being a boss and listening to the 98-track Deadmau5 Youtube Mix on Youtube (ofc). SKoB is track 49. Track 50 is All U Ever Want. Get In The Cart, Pig is a much better song than either of those two.

This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.
